

Position Description – Guide

Ultimate Hikes offers multi-day guided walks on New Zealand's iconic Milford and Routeburn Tracks, showcasing the breathtaking beauty of Fiordland and Mt Aspiring National Parks. Guests enjoy the perfect blend of adventurous hiking, comfortable private lodges, and warm hospitality in some of the country's most remote and spectacular locations. Each season, our dedicated team comes together to deliver truly unforgettable experiences.

Purpose

Guides provide excellent day-to-day direction and support to our guests on track and in the lodges. Key focuses of the role include health and safety advice, sharing interesting information about flora and fauna, geography and history, Te Ao Māori, public speaking and general interaction with guests whilst hiking. Guides will also provide general assistance in the lodges and work with lodge staff to ensure the comfort of guests, including some elements of hospitality and housekeeping.

Key responsibilities

Guides play a significant part in Ultimate Hikes successfully providing an excellent experience for our guests. We expect our team to approach each working day in a positive and enthusiastic manner. Guides tasks include but are not limited to:

People

(customer service, leadership & direction, and team relationships).

- Carrying out all guide duties and staff requirements in line with company standards as detailed in guide manuals, training and the Team Handbook .
- Relating to and easily communicating with a wide range of people and personalities.
- Providing guests with a level of customer service that exceeds their expectations in a professional manner.
- Organising, supervising, informing, assisting, motivating and directing guests in a friendly manner while ensuring they clearly understand.
- Guides are expected to work to a high level of customer service in line with company standards.

Health & Safety

(first aid, equipment checks, operating within our Safety Management System – weather, track hazards)

- Guides must comply with the Safety Management System when working.
- Assess situations as they arise and take the best course of action to resolve them, working closely with colleagues and adapting quickly to changing conditions.
- Advising on and ensuring the safety of guests and that activities are conducted in such a way as to minimise risk to the group, yourself and others at all times. This may include implementing the Emergency Response Plan and/or halting an activity.
- Ensuring that equipment is safe and in working condition.
- Responding to emergencies by providing first aid assistance and taking appropriate further action if required.
- Recognising and reporting all hazards.

Other tasks

Hospitality & Housekeeping

- managing guest dietaries, some food prep & service, some housekeeping tasks including cleaning and laundry.
- Food safety - when handling food, guides must comply with the requirements of the Food Control Plan.
- Act as an ambassador for Ultimate Hikes in all guest and staff interactions.

Relationships

The role reports to Senior Guides and the Guide Manager. Guides will also work closely with Duty Managers, lodge staff, and the Operations team both on track and in Queenstown.

Location

Working on the Milford, Routeburn or Greenstone Tracks and staying at the remote lodges on track. Work periods start and finish in Queenstown and typically range from three to nine days.

Person specifications

This part of the job description explains the main qualities we expect from our guides. These descriptions of success will help Ultimate Hikes in several ways:

- Setting a benchmark for guide leadership
- Assisting in the identification and recruitment of our guide team
- Assisting in the retention of guides over multiple seasons

To keep things simple, the Success Profile has three main parts. Details of each part are explained in the following pages.
